(3/9/22)

Boston Chapter (BONS)

Oncology Nursing Society
BONS Social Media Coordinator
Email: BONSSocialMedia@gmail.com

Dear **Boston Chapter (BONS)**:

I am writing in response to your scholarship application. I am currently a Research Nurse Resident at Dana-Farber Cancer Institute’s Newly Licensed Nurse Residency Program and have been in this position for the last 6 months. Over the past years, I have joined the oncology nursing society, continued my education with the oncology nursing society courses. In addition, in 2017 I won the Boston City Council Award.

I am currently a research resident in the Nurse Residency Program at Dana-Farber Cancer Institute. This program exposes us to a variety of practice areas including inpatient oncology, outpatient infusion, as well as specific research disease groups. My exposure to each of these areas and the opportunity to work with numerous experienced oncology nurses has made a significant impact on me and my potential as a research nurse.

Attending ONS Congress is an exceptional opportunity to further my background knowledge in oncology. I am particularly interested in attending the Ethical Considerations in the Changing Landscape of Oncology Research session, as this is directly applicable to my future role as a research nurse. Acknowledging ethics is a perspective-based discussion, I am grateful for the opportunity to greater my exposure at Congress and to further the discussion amongst colleagues throughout my residency.

I greatly appreciate your consideration of me for this scholarship. Professional development opportunities such as ONS Congress are essential to my nursing career and I hope to share my experience with the Boston chapter.

If awarded a BONS scholarship, I agree to serve on the Program Committee in the following year or provide a presentation to the BONS membership.
