JOB POSTING POLICY

The Boston Chapter of the Oncology Nursing Society has instituted a program to allow organizations and recruiters to sponsor open oncology nursing positions on our website.

All postings are for a 90-day duration for each job vacancy for a total of \$250.00 dollar sponsorship to a 501(C)(6) nonprofit status known as the Boston Oncology Nursing Society. All job postings are sent out weekly to membership of the Boston Chapter and remain live on our Job Postings page at www.bostonons.org/job-postings until their expiration date.

Requirements:

- The posting must include at least the following information: position title, hospital/clinic name, description of the position, type of position (permanent, full-time, part-time, temporary), qualifications required, how to apply (i.e., name, phone number and email address of whom to contact and/or where to submit a resume. Direct link included is sufficient).
- Postings will occur when the Job Application Form is completed, saved, and payment is received. The application can be accessed directly from our Job Postings page using the button found under the title of the page.
- Upon receipt of your application, a confirmation email will be received, and the job will be posted within the week of submission (aligning with our weekly member notices).

Our site is now public including all job postings so you may now view directly at the link above at your convenience.

Please feel free to contact the Boston Chapter Social Media Coordinator at BONSSocialMedia@gmail.com with any questions.

By submitting the registration form, you agree to comply with all Terms, Conditions, and Policies as defined above.
